WORK HISTORY

Home Mathematics Tutor

Ojo, Nigeria (09/2013 - 11/2013)

Tutored a struggling student in mathematics and oversaw school work schedule, including making and preparing fro a number of tests appointment each week. taught said student how to study more efectively and take better notes and trach his progress in order to identify opportunities to enhance tutoring methods and help student achieve set goals. I was able to increase classroom participation 25% through effectively implementing interactive sessions abd detailed classwork practises, and thereby raised a students grade point averave by 15%.
